Friends Rush to Baker's Aid

Norman Baker

(HIMSELF)

REALIZATION—It does not always come when it should. There are a few hundred people in Muscatine that do not yet realize what K-TNT closing will mean to Muscatine. One merchant the other day said "Well, I sold \$85 in goods today to one of Baker's visitors." Yes, thousands of dollars worth of goods you merchants have sold to Baker's visitors, but the day is not far away when YOU WON'T SELL ANY MORE—watch and see—it is then realization will dawn upon you—you'll wish for some of these visitors.

VISITORS—They do more than buy goods—they see your town, get interested in it—many may move here later—or get the habit of coming here to trade. A group of three men in Tipton, Ia., said to me while I was up there on a speaking date—"Baker, I can't understand what your fool merchants are thinking of by not getting behind you in this fight—do you know that I never bought a dollar's worth in Muscatine until I heard of you, and I have been visiting your town every Saturday. If you go, we will stop going there." Some may doubt that, but a safe wager is, that when K-TNT goes Tipton trade also goes out of Muscatine and I urge that you Tipton folks buy elsewhere where merchants will not see you as a product of those that bring you here. There is no use urging it, they will do it. Then realization will dawn upon some. There are merchants here in Muscatine who have never spent a cent in the columns of the people's paper—this paper—never spent a dollar over K-TNT for advertising—spent all their money in the columns of that paper which has fought to keep people out of town, and destroy the businesses that brings the crowds into town. Such merchants are not worthy of our citizens' support—we have one chain shoe store and another chain shoe store that spend their money with a paper that fights you farmers and laborers—DO YOU PATRONIZE THEM? Just ask your shoe store man if he advertises in the Free Press when you go in to buy a pair of shoes—then USE YOUR JUDGMENT if THEY SAY NO—

Watch our columns for those who do advertise—they are the loyal ones and you patient farmers and laborers, buy of those that support your paper, it is more profitable—Don't you think so? In UNITY THERE IS STRENGTH—stand alone and you FALL—if you don't stick together now, you won't stick—those who have K-TNT on the air, are advertisers in another paper—NOT THE FREE PRESS. The latest one to KNOCK US OFF THEIR ADVERTISING LIST IS J. C. Penney Stores—we don't want their advertising because we learned enough about them from old BILL Henderson down south.

TRY IT—the next time you go into a shoe store where their name implies that you should TRADE AT HOME, ask them if the reason they don't advertise in the Free Press is because their owner up in Minnesota said his brother was a doctor and DON'T ADVERTISE IN THE FREE PRESS—small and funny isn't it—I feel the Free Press will at least last as long as the soles on some of the shoes they sell.

LOYALTY—I don't hesitate in saying that any store that sells goods to Muscatine people and to our farm friends surrounding Muscatine, who are not loyal enough to advertise in a paper owned by these same farmers and city folks, ARE NOT DESERVING OF LOCAL PATRONAGE. The day may come when this paper will have enough foreign advertising that we will be able to tell some who we think, and refuse COUNTRY COPY. It's not far away—just wait and see—we're growing daily thanks to you loyal ones who appreciate favors and city

ASSERT REPEAL WOULD BE HELP IN DEPRESSION

Ben J. Bittenweiser Says Some Action Is Necessary

By CURTIS HAY, Jr.
DES MOINES, Ia.—(INS)—Repeal of the 18th amendment would be a "swift and vital aid in stimulating industry, ameliorating unemployment, alleviating our ever mounting taxes and far and above these benefits, great though they would be, rehabilitating our faith in our legal code," Ben J. Bittenweiser, a director of the New York Junior board of trade, today told delegates attending the opening sessions of the United States Junior chamber of commerce convention here.

Would Help Employment
By removing the prohibition law from the constitution of the United States, he declared, the nation would take its greatest possible step to recover from the present economic situation.

Speaking before 1,500 delegates at the luncheon this afternoon the easterner asserted prohibition is an absolute moral failure and an expensive project.

Alternation of the dry laws was recommended by Bittenweiser, who suggested that the United States adopt a liquor control plan similar to that now employed by Canada, as one of six steps the country must take to recover.

Other Lines to be Followed
In the immediate future he said should be cancellation or revision of inter-governmental debts; Revision of the tariff; Judicious use of credit; Modernizing of our anti-trust regulations; Mutually beneficial coordination of industry and careful scheduling of public work and governmentally supervised unemployment.

Wants Agricultural Law
Agricultural laws passed by the federal government, Bittenweiser said, were remedies which were of indefinite clutching at any straw.

"None of these remedial measures was based on any very searching consideration of this complex problem and, as was to be expected, all have fallen far short of ameliorating the plight of this very large and highly important portion of our population," he told delegates.

Attacks Tariff
"So too with our tariff which, it seems to me, far from improving our industrial situation engenders so much antipathy abroad and so greatly impedes foreign trade with us that in the final analysis it has proved a very real hindrance rather than an aid to our industry and trade."

Bittenweiser said there is a crying need for constructive leadership, that rightly so, great faith has been placed in the young men of the nation. The road back to normalcy has been clearly marked, he stated, and that it is his belief the world will move forward upon the shoulders of its young men.

Demonstrations in Weed Eradication Given Here Today
Sodium chlorate was shown as a means of eradicating noxious weeds in two demonstrations given here today by D. V. Layton of the extension division of Iowa State college, Cedar Falls.

This morning's demonstration was given at the home of H. A. Hain in Wilton township, while another was given this afternoon at the county fair grounds. County Agent Carl Rylander accompanied Layton on the tours.

100 IMPERILED IN MINE BLAST

One Worker Is Killed By Explosion in Ohio Shaft

CALDWELL, O.—(INS)—One miner was instantly killed, another was seriously injured and the lives of nearly 100 men were imperiled today when dynamite prematurely exploded in the workings of a mine operated by the Belle Valley Mining company at Bell Valley, near Seneca.

The blast occurred this morning as the day shift of miners was replacing the night workmen. Nearly 100 men were in the workings. That the loss of life was no greater was described by mine officials as a miracle.

Considerable damage was wrought by the explosion, it is said. Officials declared, however, that the nature of the damages was not such as to force the mine to close down.

The blast happened suddenly without warning. When it let loose the miners fled pell mell for exits through a veritable downpour of bits of rock, earth and coal.

Sen. Fess Praises Hoover Leadership During Depression
WASHINGTON—(INS)—Instead of carping criticism over hard times, the country should be thankful that it has had through the period of the "wise leadership" of President Hoover, Senator Simeon D. Fess, chairman of the Republican National committee declared in an address today to several hundred young republicans at a party conference.

The young republicans were invited to the conference by their respective members of the National committee, and after a two-day session will return to their homes to promote party organization for the 1932 campaign, several cabinet officers will address them tomorrow.

"Instead of conceding the wise leadership in this time of distress," Senator Fess said, "carping criticism and belittling comment have become the daily pastime of our opponents."

Brinkley Granted Permits for Radio Station in Mexico
MEXICO CITY—(Special)—Dr. J. R. Brinkley, Kansas goat gland specialist, has been granted two permits for construction of radio stations in Mexico. Dr. Brinkley recently was denied permission to continue broadcasting in the United States.

Brinkley has been besieged by officials and representatives of the chambers of commerce of several Mexican cities to build a station in their cities. The broadcasting permits specify Villa Acuna, just opposite Del Rio, Tex., and Monterey, principal city of the state of Nuevo Leon. It is understood, however, that Dr. Brinkley contemplates building only one station.

CEDAR RAPIDS—Twenty-nine of Iowa's 34 lodges were represented here Thursday at the 26th annual convention of the Iowa Association of Elks.

Hawks Flies from Germany to Rome After a Haircut

ROME—(INS)—Capt. Frank Hawks, famous American flying ace, treated himself to an artistic Italian haircut today.

Objecting to German methods of cutting hair because a Berlin barber cut too much off the top of his head, Hawks hopped into his plane yesterday, and sped across the Alps to Rome in the record time of 3 hours, 31 minutes.

YOUNG HEIRESS CAUSES SEARCH

Kin of Rockefellers Just Went Out to Visit a Friend

WARWICK, R. I.—(INS)—As a police search for Miss Ruth Aldrich, 19-year-old heiress, was launched this morning, it was announced at the Aldrich home here that the girl had been located.

Miss Aldrich, a granddaughter of the late Senator Nelson W. Aldrich and related by marriage to John D. Rockefeller, Jr., was reported missing to Boston police early today.

At the Aldrich home they refused to discuss the matter merely stating that Miss Aldrich was safe and unharmed. They refused to reveal her whereabouts or the reason for her disappearance.

Later the family revealed that the girl had gone to the home of a school friend in Lynnfield, Mass. The servants who were the long occupants of the estate in Warwick Neck, became alarmed when Miss Aldrich failed to appear and had not made known her destination.

Iowa Branch of Capone Henchmen Are Being Sought

CHICAGO—(INS)—With their work in the Al Capone tax case nearly completed, government agents were preparing today to turn their attention to the affairs of the Meyer-Blumberg-Price gang, a reputed Iowa branch of the Capone syndicate.

The Iowa organization is alleged to have done a business amounting to \$2,500,000.

Prosecutors claim the gang operates out of Dubuque, Ia., and Aurora, Ill., it was hard hit in raids about a week ago.

Mike Blumberg, whom agents call the "Al Capone" of Clinton, Ia., is said to have offered nearly \$100,000 to settle his income tax accounts.

STARR'S DIARY BEING SOUGHT

'Death of Beautiful Girl Would Make Many Happy'

NEW YORK (INS)—There were several persons in the life of Starr Faithful who would have been happier if she were dead.

This cryptic statement by District Attorney Elvin Edwards today accompanied the intensive search for the missing diary of the young Greenwich Village beauty, whose murdered body was found on the silent sands of Long Beach, Long Island.

Hunt Leather-Bound Book
The contents of the leather-bound book which 23-year-old Starr thought nobody would ever see. Most of these names are of men for Starr knew many men. How prominent they were is a matter of waiting for 24 hours to pass.

"But there were rich men and no beggar men or thieves," said one detective today.

While the district attorney would not go into details about the contents of the diary, it was learned that the notations were colorful, emotional and marked with the pseudo-literary style of a girl who wanted to be a writer.

Wanted to Live and Write
Youthful Starr was funny that way, she wanted to live to write. She unfortunately learned to live so fast that she never got down to writing. Some manuscripts half finished—have been hidden away by her step-father, Stanley E. Faithful, and her mother.

A similar natural instinct to shield the private thoughts of Starr led her parents to keep the "love-diary" secret until detectives discovered it.

A quiet, pretty girl to her neighbors, she saw her browsing among the volumes in those dust-laden

Mexican Beauty Is Found Slain

TIJUANA, Mexico—(INS)—The sixth in a series of mysterious and apparently vengeful girl murders was recorded here today with the discovery of the body of Mrs. Leonora Torres, young Mexican noted on both sides of the border for her beauty and vivacity.

Mrs. Torres' bullet riddled body was found in her disordered bed chamber by her husband, Jose Torres, wealthy San Diego and Tijuana business man.

Catholic Clubs to Remain Closed, Vatican Believes

Disappointment Exists In Fascist Regime Officials Say

By GUGLIELMO EMANUEL
ROME—(INS)—Practically all hope that the church would be granted the right to reopen the Catholic clubs closed by the Fascist government, was given up today in a statement issued by the Holy See in comment on the Italian government's answer to the Vatican's protest on the closing of the clubs.

Vatican officials expressed themselves disappointed with the Italian government's note because they had expected it to be more conciliatory in tone.

Pope Pius XI, it was said, had particularly looked for conciliatory views in view of the fact that his holiness had appealed to King Victor Emmanuel, as one of the signatories of the Lateran treaty, which the Vatican claimed had been violated by the Italian government.

Not only was this lacking, but it was obvious that "Premier Mussolini pursued his own policy," the Vatican spokesman said, adding that Mussolini apparently had no intention to permit the reopening of the Catholic clubs and youth associations.

Although the Vatican's answer to this note has been drafted. It has not been presented to the Italian government and even may undergo some changes in phrasing before it is so presented.

General Rain in State Expected Here by Tonight

Thundershowers were again regarded as probable tonight and Friday, in the state forecast issued today. While there has been no precipitation here for the past several days, light to moderate rain has been reported over the state. Somewhat cooler weather in the extreme west portion tonight and in the west and north central portions Friday are predicted.

The temperature here at 7 a. m. today was 72 degrees, two less than on Wednesday morning. The weather today was partly cloudy with the wind from the south. The river remained at a stand of 2.5 feet.

Jones Road Bond Issue Defeated

ANAMOSA, Ia.—(INS)—The third consecutive Iowa county road bond issue had been defeated here today by a vote of the people of Jones county.

A proposal to issue \$500,000 bonds for paying of county primary roads had been defeated when nearly complete returns showed 1,305 in favor of and 2,546 against the issue. Four precincts had not been heard from.

George Rites Are Held in Junction
COLUMBUS JUNCTION, Ia.—(Special)—The funeral of Edward Gilbert George, who died Saturday at his home, was held Tuesday at 2 p. m., from the Presbyterian church here with the Rev. Dickov assisted by the Rev. Parker of Colter officiating. Singers were the Rev. Parker and Miss Mary Parker.

Funeral services were held at 4 p. m. next Monday, June 15, while President Herbert Hoover is in Indianapolis to address the annual banquet of the Indiana Republican Editorial association.

WHAT'S THE MATTER?

Last Saturday the Journal carried a big two-page advertisement telling all about their circulation.

Last Sunday we carried a front page editorial asking them a few questions, and requesting an answer to questions Number TWO and THREE.

Muscatine business men, those who advertise, who want to know the truth about circulation, have not heard from them YET. WHY? Does the Journal admit by their silence that they offered FREE SUBSCRIPTIONS—did they do that to PAD THEIR CIRCULATION so the A. B. C. audit would be higher?

That's something for you advertisers to look into. Pardon us for suggesting it.

We are still waiting for them to answer questions TWO and THREE as appeared in our last Sunday's issue. I expect we will get it like the Des Moines Register answered my \$5,000 check challenge. IT'S FUNNY HOW SOME PEOPLE GET AWAY WITH SUCH THINGS and keep the wool pulled down. You can bet your bottom dollar that the advertisers of Muscatine ARE ON IT—just simply can't fool all the people ALL THE TIME.

Col. Clowe Returning To Mexico With Two Bodies

OKLAHOMA CITY—(INS)—Apprehension for the safety of Col. Charles Clowe, personal representative of the state of Oklahoma in returning the bodies of Emilio Garcia Rubio and Emanuel Gomez to their home in Mexico, City, today had led the state department at Washington advising Gov. W. H. Murray not to permit Col. Clowe to enter Mexico with the bodies.

The order was believed due to reports of ill-feeling existing in Mexico over the slaying of the two youths to Mexico City, Gov. Murray Monday.

Col. Clowe left here yesterday on a train bearing the bodies of the youth to Mexico City. Gov. Murray's son, Massena Murray, also was aboard the train but planned to go only as far as the border.

Gov. Turner Speaks To Civil War Vets

MARSHALLTOWN—(INS)—The piping and rattling of a single rifle and five drums—the last fading glow of the enthusiasm which held a nation intact in '61—stirred the hearts of one hundred and twenty-two survivors of that great civil struggle gathered in annual convention here Wednesday.

The five allied orders of the Grand Army of the Republic yesterday paid honor to the men who seventy years ago went into the battle for the preservation of their country.

Nineteen of the aged vets who registered at Ottumwa last year have been unable to attend this year.

Youth Is Accused With Kidnaping Girl

COUNCIL BLUFFS—(INS)—Kenneth Elliott, 19, of Clifford, N. D., is in a serious condition in custody of Council Bluffs authorities here, held at the request of the father of Hester Creola Stafford, who alleges that Elliott kidnaped his daughter.

The young couple had eloped Sunday and came here to marry. Elliott was arrested while seeking a minister.

COUNTRY-WIDE APPEAL MADE TO SAVE KTNT

Petitions Filed Asking Stay Order Not Be Vacated

By W. D. RANDALL
Managing Editor of Free Press
WASHINGTON, D. C.—Organizations friendly to Norman Baker from all over the country today poured in their protests against the closing of Radio Station K-TNT at Muscatine, Ia.

Petitions of intervention and opposition to the efforts of medical societies and the federal radio commission to vacate the stay order permitting K-TNT to stay on the air, following the commission's refusal to renew the station's license, were filed today by the following organizations:

Publicity Medium Jeopardized
Physical culture club of Chicago; Taxpayers and Voters League of Illinois; Humane Education Society, Chicago; Taxpayers and Voters League of Arkansas; American Medical Liberty League, Chicago; American Equity Association, Washington, D. C.; Lincoln Chiropractic College, Indianapolis; Quest Magazine, New York; American Chiropractic Association; Vaccination Research Association, New York; Iowa state unit of A. B. C.; Clinton County (Iowa); Cedar County (Iowa) and Strawberry Point, Ia.; Farmers' Union; American Health Alliance, Seattle; and Farmers' Protective Association of Iowa.

The closing of K-TNT would deprive them of their only medium of publicity in the middle west, the intervenors claimed. Their legal attorney, William J. Byrne of Washington. They also pointed out that the medical interests are trying to close the only radio station available to them.

Would Mean Heavy Damage
Mr. Baker, owner and operator of K-TNT, would suffer irreparable damage if not permitted to continue operation of his radio station pending his appeal in the court of appeals of the District of Columbia, his attorneys declare in a resistance filed today to the motion of the radio commission and the medical societies to vacate the stay order.

The attorneys pointed out that to shut down K-TNT now would mean the dissolution of their broadcasting organization and the abrogation of advertising contracts.

Public interest, convenience and necessity are not the basis of the attempt to put K-TNT off the air but motives simply selfish to run Mr. Baker, the attorneys' motion said.

Iowa Welcomes C. of C. Boys to Convention

DES MOINES—(INS)—Governor Dan W. Turner today extended a welcome to one thousand young men who grasped hands in comradeship here at the opening of United States Junior Chamber of Commerce convention.

Purposes of the organization were lauded as an ideal worthy of any effort," by President Herbert Hoover in a message received this morning by Durwood Howes of Los Angeles, president of the group.

Breakfast conferences were held by the delegates this morning, and the first general business meeting of the convention was called to order at 9 a. m. by President Howes. Following welcome addresses, President Howes presented his annual report.

Henry A. Wallace, editor of the Wallace-Hoestead publishing company, will address the group this morning on "Agriculture in the Business Situation."

Meeting for luncheon at noon, delegates to the convention will hear Ben J. Bittenweiser of New York who will discuss "What Lies Ahead of American Business Men."

Iowa Fishermen Drown in Lake

CLEAR LAKE, Ia.—(INS)—More than a score of men were dragging the floor of Clear Lake near Bay-side today in search of the bodies of three Ackley fishermen, believed to have been drowned yesterday.

Robert Young, 26, Herman Becker, 60, and Lester Lemke, 45, left Ackley yesterday morning on a fishing trip planning to return home last night.

The men's car was found near the boat livery from which they rented a boat, and the boat was found capsized near an island off Bay-side.

SERVICES HELD FOR H. WILSON

Rev. Leland Leisher Speaks on Man's Understanding

Final rites for Henry H. Wilson, well known local youth who was accidentally shot Tuesday afternoon while hunting turtles on the Muscatine Slough, bank about six miles west of the city, were held today. Services were held in the Fairbanks Home for Funerals at 2 p. m., with the Rev. Leland Leisher, pastor of the Grace English Lutheran church, officiating. Burial was in the Columbus City cemetery.

The minister opened the services by reading the Ninetieth and the Twenty-third Psalms.

"There are many mysteries of life which we cannot understand," Rev. Leisher told the 150 friends of the dead youth who gathered to pay final tribute. "We are sometimes baffled because we lack knowledge and understanding of God's ways," he continued.

"But we are told by Jesus not to stumble because of the things we cannot understand," the speaker said. "The faithful follow on with faith, secure in the knowledge that God will guide our footsteps."

"In spite of the many things we cannot understand, there are many we can. 'We have knowledge of God's loving care and his watchfulness over us,' Jesus said, 'two sparrows are sold for one farthing but not one sparrow falls but that your heavenly father hath knowledge of it. Even the hairs of your head are numbered.'"

"God does not will every action," the minister continued. "There are many things created by man in his stubbornness and lack of understanding for which God is not responsible," he said. "None of us are without our sorrows, temptations and difficulties."

"In connection to the words of Jesus I would like to read you the words of James who wrote 'Why do ye say that on the morrow ye shall go up to the city when ye know not what the morrow bringeth?' What is life but a vapor which appeareth for a little while and is no more. We live only as God lives."

The Rev. Mr. Leisher closed his sermon by urging all to include God in their daily program.

Following the services in Muscatine the body was taken to Columbus City where burial was made. Pallbearers were James Lange, James Figg, William Figg, John Barko, Ralph Emerson and Lambert Estle. The flower attendants were Mary Eppel, Mildred Strajack and Mrs. Lambert Estle.

With Sick Friends At Baker Hospital

New patients admitted to the Baker hospital today include Mrs. C. W. Morrell, Hartman, Colo., Frank Schwader, Howard, S. D., Mrs. George Allen, Kalona, Ia., Frank Philpenny, Worthington, Minn., Fred Miller, Clarence, Ia., Earle Main, Buckeye, Mo., and Lloyd Roach, Woodhull, Ill.

Two of America's Wealthiest to Wed

LONDON—(INS)—Climaxing a friendship of many years' standing, notice of intended marriage was filed at a registry office here today by Anthony Drexel Biddle, member of the wealthy and prominent Philadelphia family, and Mrs. Margaret Schulze, daughter of the late William Boyce Thompson of Yonkers, N. Y.

Both gave their ages as 34. Biddle was divorced from his first wife, the former Mary L. Duke, at Newburg New York last March. At that time, it was reported he would be married to Mrs. Schulze as soon as her divorce from Theodore Schulze became final.

The forthcoming marriage will link two of America's wealthiest and most socially prominent families. Mrs. Schulze inherited a huge fortune upon the death of William Boyce Thompson recently.

Local Men at Road Meeting

F. P. Halbfass, County Engineer, Speaker At Fairfield

F. P. G. Halbfass, Muscatine county engineer, and members of the local county board of supervisors returned Wednesday night from Fairfield, where the former spoke before a meeting of supervisors and county engineers of southeastern Iowa on the subject of secondary road administration in Muscatine county during the past year.

Supervisors and engineers from Louisa, Des Moines, Muscatine, Washington, Keokuk, Wapello, Davis, Mahaska and Van Buren counties attended. Those from Muscatine county included Supervisors Fred Kaufman, W. J. Barclay, George Sauer, A. J. Altekruuse and J. Henry Schaefer.

A chart used in Muscatine county work was used by County Engineer Halbfass in showing the supervisors and engineers how Muscatine county handled its road problem during the last year under the secondary road system.

Glenn C. Haynes, executive secretary of the Iowa Good Roads association, pleaded with the supervisors and engineers not to sanction any further diversion of primary road funds to local roads in Iowa.

Miss Mary Williams is visiting in Moline, Ill., and will return to Muscatine for a short visit with her aunt, Mrs. Charles Heller, 1105 Mulberry avenue, prior to leaving for an extended stay in California.

Mr. and Mrs. Henry Pomeroy, 1404 East Fifth street, and Vincent T. Wedekind, 1012 Orange street, left this morning on a western tour. They expect to stop at Yellow Stone Park, Denver, Portland, Ore., and Salt Lake City, Utah. In the latter city they will visit Mrs. Gertrude Henderson and Mr. and Mrs. Charles Meyers. They will return through California.

Miss Mary Luellen of Chicago is visiting at the home of her parents, Mr. and Mrs. Walter D. Luellen, 511 Sycamore street. Mrs. Ethel Bolt and Mrs. Emory Greenwaldt of Chicago accompanied Miss Luellen.

Mrs. Lulu Edwards, 206 West Seventh street, returned home this morning after a week's visit with relatives at Havre, Mont.

Car registrations at the county automobile bureau on Wednesday were: Albert S. McKee, Muscatine, La-Salle coupe; R. M. Summitt, 907 East Seventh street, Chevrolet coupe; E. L. McColm, 1314 Mulberry avenue, Lincoln sedan.

hTe Spruce street dump was the scene of a small blaze Wednesday afternoon with firemen working thirty minutes before it was extinguished.

Calvin M. Jones, proprietor of the Green Leaf Cafe, Second street and Mulberry avenue, was released from custody this morning when he posted a \$500 bond on a charge of maintaining a liquor nuisance, filed Wednesday following a raid on his place by federal, state and county officers. He waived preliminary hearing Wednesday afternoon in Judge H. D. Horst's court and was committed to the county jail until the bond was put up.

Perfect attendance pins to be awarded 649 local school students for being neither absent nor tardy in the past school year will be shipped Saturday, according to a telegram received late this afternoon by Charles Kern, attendance officer. Mr. Kern said the pins will be distributed early next week.

Luther Steger, colored, will be given a hearing 9 a. m. Friday in Judge J. C. Coster's court on an assault and battery charge filed by Otto Zamosty. The men are employed to do excavating work at a sandwich stand on Cedar street and each accuses the other of starting a fight over the disposal of some dirt. In the fracas that followed Zamosty received a gash in his scalp that necessitated the attention of a physician. Steger was released upon furnishing a \$50 bond to secure witnesses.

ASK COUNTY TO PAY ASSESSOR

Matter of Full Time Proposed by City To Supervisors

The city of Muscatine, through a delegation of councilmen, today made a formal proposal to the county board of supervisors relative to employment of a full time assessor and paying a part of his salary.

A delegation from the city council including City Attorney C. H. Fishburn, Aldermen M. A. Barr, and John Nitzel and City Assessor Lloyd Grimm composed the delegation that laid the matter before the supervisors.

Heretofore, the county has paid a part of the city assessor's salary in view of the fact that he is both a city and township assessor, but whether the term of the assessor can be extended and include an additional salary than that now paid was not clear.

The supervisors promised to take the matter under consideration and City Attorney Fishburn said that while he is in Des Moines next Tuesday on other matters of business he will ascertain what can be done under the existing statutes.

The matter will be taken up at a later conference between the board and the council members, it was stated after the meeting today.

DISTRICT COURT

Hearing on the final report of the Pleasant Prairie Savings bank, executor of the estate of John H. Jackson at 10 a. m., June 15.

The will of J. P. Meeker was filed for probate and names two daughters, Marie Chapman and Hattie Lee, a son, W. Ernest Meeker, and a step-son, J. P. Meeker, as the beneficiaries. The son, W. Ernest Meeker is named as executor of the estate.

Edward J. Sadel, defendant in the divorce suit brought by Ethel J. Sadel, filed motion today to strike portions of the plaintiff's petition. Sadel is charged by his wife with cruel and inhuman treatment. F. L. Bihmeier is attorney for Mrs. Sadel.

The Collins-Hill Lumber company, defendant in a suit filed by the Tremco Manufacturing company, filed motion today for security for costs of the action.

Some men make a specialty of getting into trouble.

Other speakers were Supervisor Johnson of Wapello county, Senator A. C. Blackford of Bonaparte, Dr. Harold T. Smith, head of Parsons college, Herbert F. McDougal, W. H. Bangs, Leo D. Thoms and U. S. Smith.

COUNTY ROADS NOW ARTERIALS

Highway Commission Adopts Uniform Stop Signs

The state highway commission today submitted to County Engineer F. P. G. Halbfass, county engineer, a set of standard uniform traffic stop signs which have been adopted throughout Iowa to conform with the new law which decrees that all county trunk roads shall be arterial highways.

This law became effective March 21. On May 27 the commission adopted for this purpose the standard "Arterial Stop" "Arterial Slow" and "Caution Heavy Cross Traffic" signs which are now in use by the state.

The state, however, has discontinued the use of "Arterial Slow" signs except as advance signs to warn of an arterial stop where there are two primary roads of equal importance crossing one another. As the commission does not wish to completely stop the traffic on either side of the road the "Caution" sign is being advised.

Governor Dan Turner Tuesday afternoon congratulated the veterans on their work for the state since the Civil war, pointing out the progress of the nation since that time.

A new radiator for heating rooms is so compact that it extends only a few inches from a wall and is designed to be installed close to a floor, where it will be most efficient.

Preparations were made to question officers of the Cunard liner, Franconia, from which the murdered girl was put off in the outer harbor of New York shortly after the vessel sailed for England on May 29.

Face Arduous Task

Scotland Yard operatives faced an arduous task. The Franconia was docked immediately after her arrival at Southampton and her personnel released for their annual vacation.

The ship is not scheduled to sail again until July 10. Her officers and men are scattered throughout the British Isles, either in their homes or vacation resorts, but Scotland Yard planned to question every one of the liner's officers who might be able to throw some light upon the strange murder of the New York beauty.

Among those to be questioned was Dr. G. Jameson Carr, the Franconia's physician, who it was thought might be able to confirm reports.

The girl had been seen in an intoxicated and hysterical condition aboard the ship a little while before she was placed aboard a tug in the harbor and sent back to New York.

Scotland Yard also planned to interrogate deck and stateroom stewards.

A gallant army of
125,546 NURSES
(IN THE U.S.A.)
help fight your battle
in the cause of Health

What modern civilization owes the trained nurse can't be figured in dollars. Tireless, patient, efficient, she has earned one of the highest places in public and private esteem. We couldn't do without her—why not tell her so?

They have a way with them, too!

Not only do you trust them, but you like them. And it's the same with a good cigarette.

Smokers stick to CHESTERFIELD because they find them dependably milder. You can smoke as many as you like.

And CHESTERFIELD smokes more

evenly. Credit that to the ripe mild tobaccos and the pure imported cigarette paper.

Every CHESTERFIELD is made to smoke milder and to taste better.

More men and women every day are finding this out!

JOHN ROACH IS WINNER IN JR. OLYMPIC GAMES

Atlantic City Trip and Sightseeing Tour Awarded

John Roach, Jr., 13, son of Mr. and Mrs. John W. Roach, 1510 Mulberry ave., and a student of St. Matthias high school, was crowned Junior Olympic champion of eastern Iowa and named the best of some 5,000 young athletes Wednesday night at the new municipal stadium at Davenport. He won a trip to Atlantic City to participate in the National Olympic finals by compiling a total of 471 points to nose out Robert Hagen of Davenport by 20 points.

The finals Wednesday night marked the closing of the long elimination grind that narrowed the field of competitors to 45 from the 5,000 boys who several weeks ago vied for the same honors which today are John's. Together with the Junior champ, A. Ohlsen of Davenport, he will go to Atlantic City and also enjoy a sightseeing trip to Washington and New York City.

In the five Olympic events, John placed as follows: baseball throw, 212 feet; standing broad jump, 8 feet 5 inches; 75-yard dash in .08 2-5 second; chinling bar, 15 times; and the basketball throw, 14 out of 20.

In addition to the trip, John won a beautiful silver loving cup.

W. Strouse of Muscatine placed fifth in the senior division with a total of 360 points while Bob Barger totaled 343 points in the Junior division to place third.

Take Fingerprints Of 260,000 Workers

WASHINGTON—(INS)—Beginning the government fiscal year July 1 the civil service commission is planning to fingerprint all appointees to federal jobs.

The commission says there are 260,000 persons examined annually for civil service, and that one out of every thirteen have police records. They claim this procedure will do away with undesirables, and that it will be impossible to enter the government service under false pretenses.

It is expected Congress will take up the question at the next session in December, and that it will be thrashed out on the floor of the house and senate.

The congressional objection undoubtedly will be based on the fact that fingerprinting of appointees will give the government a secret hold on many of its employees.

Educator Killed In Auto Wreck

BLOOMINGTON, Ill.—(INS)—Dr. Charles E. Goodell, 69, well-known educator, former president of Franklin college, Indianapolis, was fatally injured in an automobile accident 16 miles north of here last night.

Three persons with him were injured, two of them severely. They were Henry D. Hughes, Miss Anna Guthrie and Miss Jennie Eddy, all of Chicago.

Dr. Goodell has been president of the Fish Teachers' agency here for the past five years and had been to Springfield with a party of other teachers employment workers to watch legislative action.

Near Lexington, Dr. Goodell lost control of his car and it went into a ditch.

IOWA CITY—Eighty-five students now today are ready to practice their profession in the state of Iowa. Seventy-one of the men were graduates of the University of Iowa last week and 14 others passed the tests as graduates of a number of other universities.

Hope of Rescuing Men Entrapped in Sub Is Abandoned

SHANGHAI—(INS)—Hope of rescuing the eighteen men entombed in the sunken submarine Poseidon 120 feet under water in the Yellow sea was virtually abandoned today when rescue ships failed, despite frantic efforts to establish contact with the wreck.

Admiralty divers who descended to the submarine were unable to attach rescue apparatus to it and reported that they heard no response to their signals to the prisoners. Their repeated rappels of Morse code letters on the side of the submarine brought no response.

A message from the aircraft carrier Hermes at the scene of the disaster denied reports that divers had heard signals from a compartment containing eight of the men saying that they were still alive.

DEMOLAY CHAPTER SEATS OFFICERS

Donald Brown was installed as master chaperon of the G. A. Riemcke chapter, Order of De Molay, at a meeting in the Masonic hall Wednesday evening. Other officers seated are: senior commander, Ed Walters; junior commander, Clint Thomas; senior deacon, Tony Snyder; junior deacon, Robert Moore; senior steward, Kenneth Fairall; junior steward, Roy Peck; chaplain, George Moore; standard bearer, Gust Albee; treasurer, Bud Fairall; and preceptors, Jack Ashtalter, Don Mitchell, Junior Phillips, Clifford West, Clinton Reeves, Frances Raybaine and Howard Ohm. Feston Barnard acted as installing marshal.

About 150 persons attended the meeting. A talk was given by Rev. Ira Hawley, pastor of the United Brethren church, and following the installation a dance was held.

'Double Dare' Car Thief Under Arrest

MARYVILLE, Mo.—(INS)—Eber Canon, 16, of Grand Junction, Colo., is in jail here today, alleged to have stolen a new Ford coupe in Kansas City on a "double dare."

Canon sped through Maryville last night, and the car overturned on the highway three miles out of town.

Canon was taken to the hospital, but he had walked out when police began to investigate. He was found by Mayor W. O. Garrett.

Police are seeking the companion who allegedly dared Canon to steal the car.

Guard Captain Is Killed in Crash

TOLEDO—(INS)—Captain M. M. Rubner, of the Illinois National guard, was killed and two other men critically injured today in an airplane crash at Walbridge, O.

A captain Kumsa, of the Illinois National guard, is believed, going while Thomas F. White, a Chicago contractor, suffered serious injuries.

According to White, Rubner operates a private flying service and was piloting the plane when it crashed. White chartered the plane to make a business trip to Toledo, he said.

Death Toll Mounts In German Rioting

BERLIN—(INS)—To the mounting toll of victims of communist rioting throughout Germany was added another name today. During the fighting in the north German city of Kassel last night a policeman was killed. One communist was seriously wounded.

Shots were fired from the dark when police arrived to quell trouble in one of the poor quarters of the city.

Heavy fighting took place at Hamburg and Mannheim where Reds erected barricades in the streets and fired on policemen. No one was killed.

At Mannheim a large part of the city was left without light because Reds smashed street lamps. Communists started their demonstrations in protest against Chancellor Bruening's emergency tax decrees.

At Frankfurt-on-Main a mob of several hundred stoned police in protest against the same measure.

The more innings a man has the better he enjoys his outings.

Attractive Proposition Given Workers Circulation Campaign

Early Entrants Will Have Advantage In Contest

Are times really hard or do people just talk hard times? If business is dull and people are in need of ready cash, why is it that more folks in this community are not eager and willing to work for money?

The Midwest Free Press has a good job for every man and woman in this community who is willing to work during their spare time for real money. To the one who sells the most subscriptions for us during the next few weeks we are going to pay the equivalent of a salary of nine hundred dollars per month, the next highest producers will receive the equivalent of six hundred dollars per month, four hundred fifty dollars per month and two hundred fifty per month with a guarantee of 10 per cent of every dollar's worth of business they secure. All who participate will receive substantial sums of money according to their vote credits and sales during the campaign period. If times are really hard why is it that more folks are not willing to devote a little of their spare time working for these substantial pay checks.

So far very little progress has been made by some contestants, who have signified their desire to enter and try for the fine compensation offered by the Free Press.

Although the Campaign Department has several nominations entered but few have shown their desire to get down to business by turning in subscriptions. The time to secure subscriptions is now at hand.

At Mannheim a large part of the city was left without light because Reds smashed street lamps. Communists started their demonstrations in protest against Chancellor Bruening's emergency tax decrees.

Goshen Wapsie Plus Club; Ina Askam, Melva Deal, "Selection of Shoes."

Pike Lassies; Orpha Neff, Dorothy Rummels, "Lines for the Short Girl."

Blooming Best; Vivian Beatty.

Local K. of P. Lodge To Initiate Class

Wyoming lodge No. 76, Knights of Pythias, will confer the rank of esquire on a class of candidates at its regular meeting Friday evening in Pythian hall. The work will be exemplified in full form.

Following the ritualistic ceremonies, the lodge will be guests of some of its members at a strawberry shortcake treat, to be served by the lodge chef.

BEVERLY HILLS, Cal.—(INS)—Clara Bow, film actress, Thursday was preparing to go to the Nevada ranch of Rex Bell to finish recuperating from a recent nervous breakdown.

Miss Bow said that when she got ready to return to making pictures she would not sign a long term contract. She stated she would prefer to free lance, in order that she might be in a position to reject roles in inferior pictures.

The BEER you miss

can still be yours

Those who loved beer still have a malt- and -hop brew, even better than the best of old. There is no excuse for makeshifts.

Our new-day brew has all the sparkle, zest and flavor of the old. It has the age and mellowness. It is brewed exactly as of yore, with the finest malt, the best Bohemian hops. The water is specially treated to match the mellow European brews. The brew is aged for months to ripen. Then put into bottles which are utterly clean. Then pasteurized after sealing.

Less Alcohol--That's All

When this delightful brew is finished, we evaporate most of the alcohol. You would not know that without being told.

This missing of alcohol in a malt- and-hop brew is largely imagination.

MCCARTHY DENIES TONY LAZZERI WILL BE TRADED

'POOSH EM OP' TONY WILL GET ANOTHER TRIAL

Walloping Wop Will Be Moved Back to Second Base

By LES CONKLIN
INS Sports Writer

NEW YORK—Far from trading Tony Lazzeri to Washington or any other club, Manager Joe McCarthy of the New York Yankees is going to give the San Francisco Italian another chance to make good at second base, his old position.

The wallowing wop from Telegraph Hill, who has been the victim of the morose mystery batting slump of the 1931 campaign, may return to the midway post during the current series with the Chicago White Sox here. He has been working out at second in morning practice recently. Used at third base most of the season, Tony has batted only .334 to date.

Lazzeri will be back in the game soon," said McCarthy this morning in denying a report that the one-time premier second sacker of the league would be traded to Washington for pitcher Ruffalo. "His leg went bad some time ago and I had to take him out a couple of times."

The idea of a trade involving Lazzeri aroused little enthusiasm among New York fans today. For five years a brilliant fielder and a dangerous hitter with runners on the bases, "Poosh em op" Tony has become a fixture at the local ball orchard. He batted under .300 only once, in 1926, his first year with the club, when he finished with a mark of .275. In the following years his season's average were .309, .332, .354 and .303.

This year "Poosh em op" has been pushing the ball into the air via the pop fly route instead of pushing it over the fences. What to do with Tony has been one of McCarthy's most aggravating problems.

Last fall Marse Joe, who had never seen his new club in action, made the flat declaration that "Tony would play third and Ben Chapman second. Since then Chapman has been converted into a left fielder. Joe Sewell has been seen to play third and Jimmy Reese has been holding down the second base job."

If Lazzeri returns to the game, Reese will be the man to be benched, for McCarthy said today that Chapman will stay in left field and that Sewell will remain at third base. Reese has not been hitting well.

McCarthy Optimistic
McCarthy, unlike Roger Peckinpaugh of Cleveland, has not given up hope of catching the league-leading Athletics as today that of Mack's ten-game lead could be wiped out in ten days," says Joe optimistically.

"I believe our pitching will improve shortly. The hurlers were thrown out of their stride by the long string of postponements on our western trip. Gomez and Ruffalo are pitching fine ball. Flanagan will be all right as soon as he gets one good game under his belt. There is no reason why Sherid shouldn't be a winner."

There is no overemphasis of baseball in Cincinnati.

The fishing season has opened with a bang. The outdoor wrestling promoters say the biting is the best in history.

A tallent team is trouble enough but how can Dan Howley keep on laughing while trying to remember the men in his lineup of Sigfoos, Streleki, Sukerforth, Asbjornson, and Cuccinello?

The foul blow brought the invention of the aluminum cup into boxing. Now what the wrestling game needs is a muzzie to keep the big fellows from turning Cannibal.

The hole-in-one has become so ordinary an Ohio fellow with only one arm has entered the lists.

Bill Tilden was an amateur so long he can't get into the professional stride. All wins and no losses shortens the professional schedule.

Its only three and a half months, as the cuckoo flies until the next season of football overemphasis.

Several of the heavyweight wrestlers do not speak English but they grunt and growl as well as our American boys.

That line "a prophet is without honor in his own town" must have been written for Bill Wigley.

After an inspection of this year's bathing suits for ladies we predict swimming is in for its biggest season.

The hardest job a funnyline writer faces is to keep the Brooklyn Dodgers out of his column.

All a college football player has to do in the summer time is make up his class room deficiencies and learn to handle the forward pass.

Its either a nineteenth hole or a clinic, depending on what the boys have in their lockers.

The long trousers style in golf won't be on in full sway until next year. In these days of depression the golfers must first wear out their last year's knickers.

The only ruins in this country are last year's dewee golf courses.

Heinz Wins Contest From McKee Outfit At Jefferson, 9-3

In the two kittenball games played Wednesday night, the Heinz Factory league entrant defeated the McKee outfit at Jefferson field, 9 to 3, while the Journal won from the Courthouse aggregation in an American league tilt at Weed park, 7 to 0.

The McKee-Heinz game was marred by the many McKee errors. Heinz scored four runs in the first inning on four errors and one hit and added five more in the fourth on three errors and two hits. The McKee team started a rally in the last half of the fifth which netted three runs on five hits and one error.

HENDRICK TOPS NATIONAL WITH .386 HIT MARK

Former Robin Leads Reds to Win Over Former Mates

By COPELAND C. BURG
INS Sports Writer

NEW YORK—They say the sins of Manager Wilbert Robinson of the Brooklyn Robins are many and great, but he may be forgiven for everything except the overlooking of Harvey Hendrick.

The Robins are in the second division because they muffed a lot of ball games by a single hit and it was quite apparent today that the man who could have supplied those score-making crashes was right there all the time.

Hendrick Leads League
Since Hendrick was sent to the City Reds he has proved not only a high-class fielding gentleman at first but has been leaning on the old winesap so hard he now leads the National league in hitting with .386 rating. He batted in two runs yesterday as the Reds chased the Robins, 10 to 3. Eppa Rixey was on the mound for Cincinnati and merely toyed with the Dodgers.

Chicago moved back into a tie with the Giants for second place in the National circuit by silencing the Phils, 3 to 0. Charley Root gave Philadelphia only four hits and won his own game with a resounding double that scored the first run in the Cubs' three-try drive to victory.

Pirates Trim Giants
Larry French, Pittsburgh's left-handed mender, gloomed the Giants 5 to 1, allowing the New Yorkers three measly singles. Bennett, Buc right fielder, got three hits off the wobbling giant hurler.

In the only game played in the American league, Washington gained half a game on the champion Athletics as they pounded Hudlin of Cleveland, taking 9 to 4. The Senators scored six runs in the fifth and Mr. Hudlin was forced to take a bath. Manush got a homer and two other safeties for Washington. St. Louis suffered a severe beating at the hands of the Boston Braves, who shellacked three Cardinal pitchers for a 13 to 4 win. Old Tom Zachary gave the Cards 11 hits, but Boston garnered 19. Maranville topping the Brave sluggers with four safeties. Scores by innings:

WATERLOO CLUB BEATEN, 6 TO 4

Tight Pinch Pitching Gives Burlington Team Decision

DES MOINES—(INS)—Waterloo baseball fans today had seen a real bit of pinch pitching here by the Burlington Bee's relief man, Rhodes. Rhodes went into the game there last night, relieving Ring in the first inning, with three men on bases and facing a batter who needed only one more ball to take a base on balls. Rhodes pulled out of the hole without allowing a runner to pass the plate. Tiedle pitched for Waterloo, Burlington took the game 6 to 4.

Dubucke nipped Evans, Keokuk hurler, for 11 hits and 7 runs last night to win from the Moine club. Cedar Rapids took a seven run lead in the first inning. Schamp, Feeney, R. Parker and Krupar tried vainly to stop the bunny hitters. Zeigler pitched for Cedar Rapids.

Coming from behind in the last three innings, Rock Island last night overcame a three run lead to defeat Davenport, 7 to 6.

Apple did the huriling for Davenport, while Yaros and Hyma held off the Davenport hitters.

Free Swim Classes Attended by Many; Announce Schedule

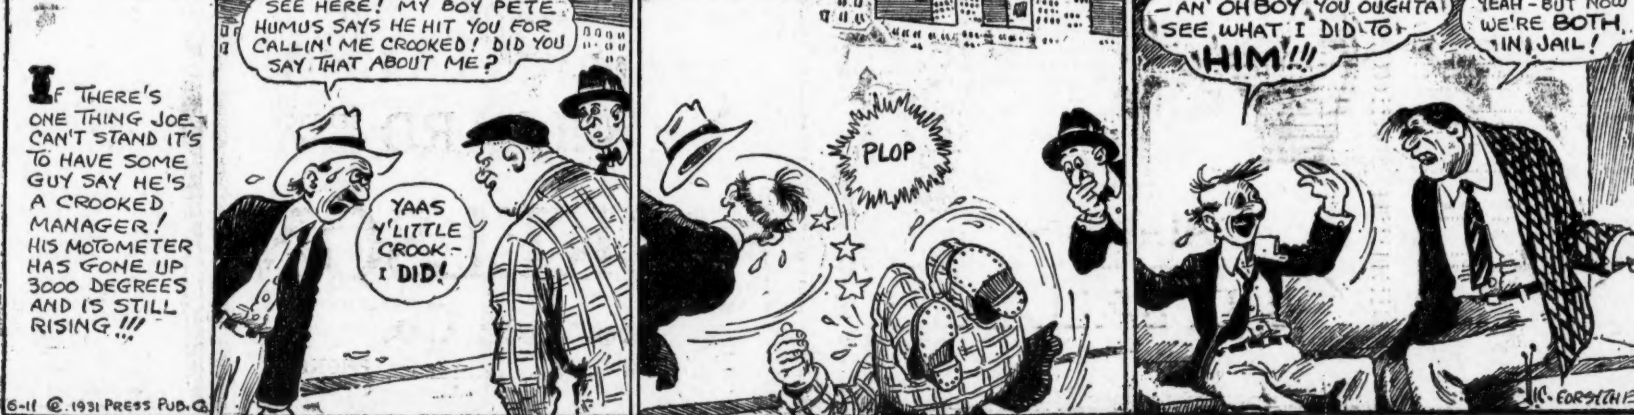

Much interest has been shown in the free swimming classes being held at the local Y. M. C. A. every week. Wednesday morning 30 boys reported for a lesson and much progress was noted in their style by A. J. Lindley, who is in charge of the classes.

Mr. Lindley also announced this morning the schedule for the various swimming classes at the "Y."

The prep classes will be held on Tuesdays, Wednesdays and Fridays from 10 to 11 a. m., the junior classes on the same days from 9 to 10 a. m., the junior employed classes on Mondays, Wednesdays and Friday evenings from 6:30 to 7:30 p. m., while the intermediate classes meet on the same days from 7:30 to 8:30 p. m.

Tuesday, Thursday and Saturdays are set for plunge periods for all classes.

Musky 'Y' Camps to Be Held at Rotary Hut, July 6-13-20

Signing for the annual Musky "Y" camps to be held at the Rotary hut on Staley's lake July 6-13-20, has been started with six boys already on the list.

Much interest has been shown in these camps the past few years, many boys attending the two sessions of one week each. Ben Gallaher, secretary of the Y. M. C. A., is in charge of the camp.

Mr. Gallaher announced that all boys wishing to attend the camp should sign at the "Y" soon.

MUSCATINE AND WASHINGTON TO MEET OVER NET

Dual Tennis Meet to Be Staged on New Courts Sunday

The Muscatine tennis association net team will meet the Washington, Ia., team Sunday afternoon in a dual meet on the newly erected tennis courts on the Harry Hahn property, two blocks west of the Geneva Golf and Country club. It was announced today by Bernard Harper, president of the association.

The meet was originally scheduled for last Sunday but wet courts forced postponement.

The first match was played on the new courts Tuesday night, Francis Weis turning back Bernard Harper, 7-5, 7-5 in a star-fite tournament challenge. The match was hard fought all the way with Harper taking a big lead in both sets only to lose out when Weis ran up five straight games in each set.

The win enabled Weis to remain at the top for another week with Harper still in second place.

In another star-fite tournament match played Wednesday evening on the new courts, Cy Peck defeated Bob Asthalter, 2-6, 6-2, 6-3. The victory enabled Peck to jump into the third place with Asthalter dropping back into fourth. Ray Othmer is in fifth place and John Baird in sixth.

Tom Luther for 47 years conducted a hotel at Saratoga Lake, N. Y., which was a popular training camp for fighters.

HISTARS FROM 24 STATES IN NATIONAL MEET

Stage Set for Track Classic at Chicago This Week-End

CHICAGO—(INS)—High school track stars from 24 states began arriving today for the twenty-seventh national inter-scholastic track meet at Stagg field tomorrow and Saturday.

Illinois, of course, leads in the number of entries, but 520 are entered from 144 schools, and nearly all of these lads placed in their respective state meets. Twelve of the Illinois champions out of 13 are entered.

Oak Park, twice Illinois title holder in the past two years, was one of the favorites. Scott High, Toledo, entered a squad of 15 men, and Roosevelt High of Dayton, 17.

Four of last year's champions are returning to defend their national high school crowns and some of those who placed are back for another try at the records. The four champs are Randall Herman, Oak Park, 100 yard dash; Tim Quinn, Ludington, Mich., record holder in the half-mile at 1:57.2; Slat Harbin, Greenwood, Miss., winner of the second half-mile race; and Elwyn Dees, Lorraine, Kan., who set a new record of 58 feet with the 12-pound shot.

Indiana high schools were ruled out so Froebel High of Gary, last year's winner, will not defend its title. As usual, Coach Stagg is charging no admission to the meet.

Atlas Kittenball Team Wants Games

The Atlas Special kittenball team, organized just last week and with a win over the Wilton club already to its credit, is seeking more Sunday games.

Managers of teams in this vicinity with open dates are requested to write or phone Clarence Nolan, Silver Front barber shop, 315 East Third street.

The spring race meeting at Jamaica was run at a loss this year.
